

## INVITATION TO INDIAN MSMEs INTERESTED TO VISIT INTERNATIONAL TEXTILE FORUM 2025 AND TEXTILE EQUIPMENT EXHIBITION IN DUSHANBE, TAJIKISTAN

National Small Industries Corporation Ltd. (NSIC), in association with **Ministry of Industry and New Technologies, Republic of Tajikistan** invites Indian MSMEs manufacturing textile machines, equipment and innovative product related to textile industry to visit in the **First International Textile Forum and Textile Equipment Exhibition**, a premier event aimed at revitalizing and globalizing Tajikistan's vibrant textile sector.

 **Date:** July 8–10, 2025

 **Venues:** Hyatt Regency Dushanbe (Forum) & Dushanbe Expo Centre (Exhibition), Tajikistan

 **Website:** [www.textileforum.tj](http://www.textileforum.tj)

 With over 500 textile enterprises and a growing focus on sustainable clusters and value-added products, Tajikistan is emerging as a promising destination for textile collaboration and investment.

### Why Should You Visit?

- Explore strategic partnerships and B2B networking opportunities, and discover new connections at the **Textile Equipment and Apparel Products Exhibition**.
- Attend **high-level panel sessions** with global industry leaders and policymakers.
- Discover the **investment potential** in Tajikistan's textile clusters.
- Learn about **cutting-edge innovations** like AI, smart fabrics, and 3D printing.
- Immerse yourself in **cultural and site visits** including fashion shows and historical excursions.

### Forum Highlights:

- **Panel Sessions on:**
  - Cotton farming innovation.
  - Diversification into high-value textiles.
  - Premium quality & international standards.
  - Investment & financing strategies.
  - Advanced textile technologies.
  - Global sourcing trends with brands like Inditex, Decathlon, and Uniqlo.
- **Fashion Show:** Featuring traditional and modern designs from local and international designers
- **Cultural Tours:** Explore Tajikistan's rich textile heritage at the National Museum and “Istiklol” complex

### Attention Indian MSMEs!
