

ISO 9001:2008

NSIC EXHIBITION GROUNDS, NEW DELHI (INDIA) – A PERFECT VENUE FOR ORGANIZING EXHIBITIONS/TRADE FAIRS

As you are aware, National Small Industries Corporation Limited an ISO 9001:2008 certified company is committed to enhance the competitiveness of small enterprises through a judicious blend of promotional and commercial activities. Globalization and liberalization of economy has not only thrust many challenges but has also thrown up many opportunities. NSIC has quickly altered its focus to the need of its stakeholders and assumed a role of facilitator rather than a direct player.

OPPORTUNITY

To showcase the competences of small scale industries and to capture market opportunities NSIC has constructed its own state of Art Exhibition complex cum Display Centre adjacent to its corporate office and successfully organized several exhibitions in recent past. The Exhibition Ground is strategically located and has lush green surroundings in the posh South Delhi area which enjoys very good connectivity from International Airport, New Delhi Railways Stations and commercial place like Connaught Place and Nehru Place. Some of the best hotels also happen to be in the close vicinity.

ATTRACTIVE FACILITIES

The NSIC Exhibition Complex is spread over 47 acres of prime land with boundary wall and 1500 sq.mtrs. gross of covered space (fully air conditioned) besides about 16000 sq.mtrs. gross of open space and huge parking area to accommodate at a time more than 1000 vehicles. Further it also has 100% power backup through 500 KVA DG set and NSIC licence fee is not levied for approved construction and dismantling period..
