National Small Industries Corporation
(A Government of India Enterprise under Ministry of MSME)**

NSIC Technical Services Centre, Okhla, New Delhi is one of the Technical Services Centres of National Small Industries Corporation (NSIC), an ISO 9001:2015 certified Government of India Enterprise under Ministry of MSME. The Technical Services Centre in Okhla, New Delhi is serving MSME units by providing skilled & professional workforce through its training programmes on demand driven, industry oriented courses in the fields like Mechanical Workshop, Information Technology, CAD/CAM & CNC, Multimedia & Animation, Electrical & Electronics and Entrepreneurship Development. The curriculum of each training programme is defined in such a way so as to give maximum practical exposure through practical training to the trainees. More than 50,000 trainees have been trained by the Centre and many are successfully placed in companies like Munjal Showa, Motherson Sumi, Mitsubishi Electric Co., HCL Infosys Ltd., Timex, Siemens, Maxop Engineering, NewAllenberry Works, and many more, through campus placement.

The Centre also facilitates industries by providing Common Facility Services for Material Testing & Specialized Job work on Machines in Mechanical Field.
