NSIC Women Entrepreneurs Awards

I. Introduction

NSIC, since its inception in 1955 has been a guiding and motivating force for these MSMEs through its diverse support. NSIC has evolved its schemes in tune with the changing requirements of the MSMEs. It has been instrumental in contributing to the growth of large number of enterprises who have been successful in scaling up their operations.

The growth story of MSMEs reflects of their zeal, ambition, creativity and visionary spirit. In India, Women Entrepreneurs constitute 13.76% of the total number of entrepreneurs in India. It is well accepted that women are vital to the Indian industry, both as employees and as clients, but the industry has been slow to take notice. Women make up a good part of the work force in the industry. These establishments in total owned by women provide employment to 13.45 million people. Women are also sighted to be better entrepreneurs as they control the vast majority of household spending.

Today, the Indian Government has begun to focus on empowering woman through multiple initiatives. Thus it is imperative to identify such Women Entrepreneurs and applaud them. With this context, NSIC considers it imperative to celebrate the very zeal and attitude of such women entrepreneurs who have survived against all odds and have never given-up.

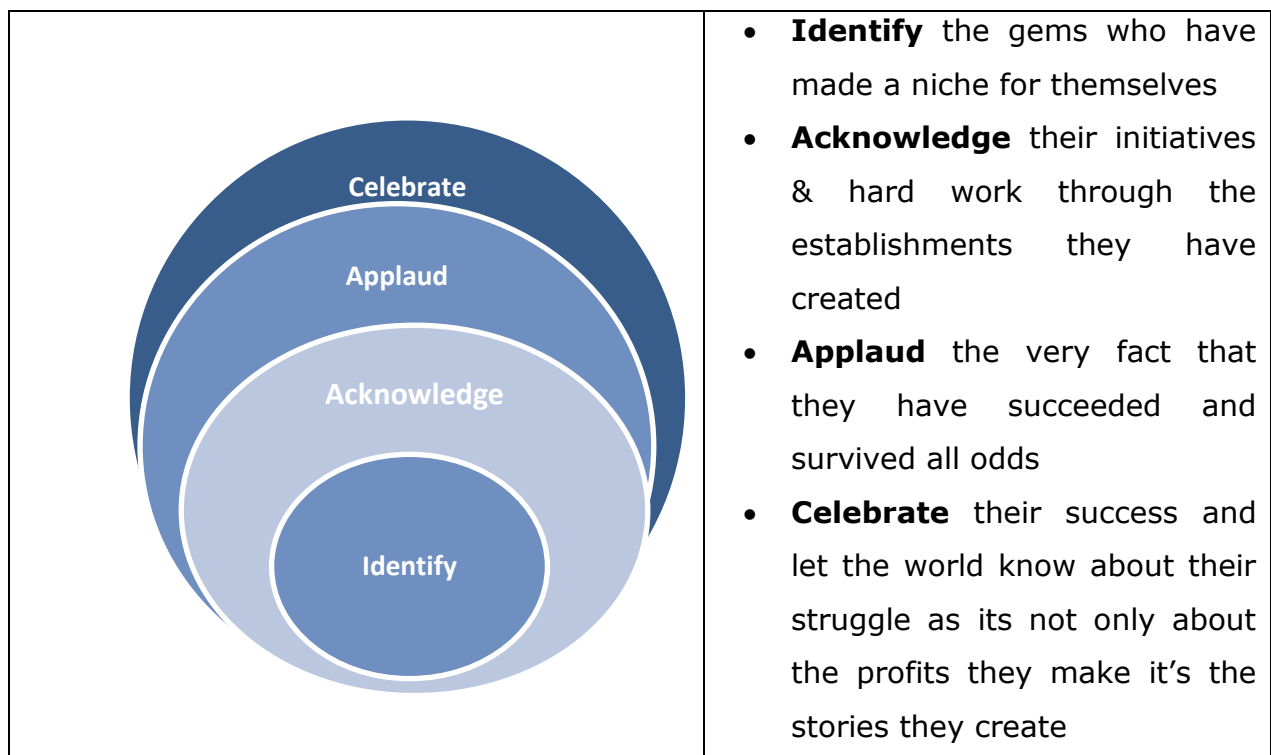

It is these factors that encourage NSIC to institute **NSIC Women Entrepreneurs Awards**.

II. Core Objective of this initiative:

NSIC Women Entrepreneurs Awards would be a salutation for the outstanding achievement made / work done by Women MSMEs in certain selected fields. These awards would prove to be a boost for several other MSMEs to improve and innovate in their operations. Apart from the MSMEs, various institutions (including Banks etc.,) having facilitated Women Entrepreneurs will be given due recognitions and felicitations with the awards.

While constituting the awards, the process would inter-alia encompass the various steps as depicted in the diagram and table below:-

NSIC Women Entrepreneurs Awards **shall** be open to all Women MSMEs in manufacturing, services and retail sectors.

III. Award Categories

The program covers three broad segments of awards for Women Entrepreneurs:-

- 1) Micro, Small & Medium Enterprises (MSMEs),
- 2) Sector awards and
- 3) Theme-based (Special) awards
