

Training Calendar under National SC ST Hub

(As on date 22.06.2018)

The National SC-ST Hub (NSSH) was launched by the Hon'ble Prime Minister in October 2016 to achieve the mandate of Public Procurement Policy, 2012 and to promote entrepreneurship for Scheduled Caste (SC) and Scheduled Tribe (ST) community. Accordingly, a special cell was created by Ministry of Micro Small and Medium Enterprises (MoMSME) in National Small Industries Corporation (NSIC).

It is observed that there exist a significant skill gap among Scheduled Caste and Scheduled Tribe MSEs and this gap needs to be bridged to remain competitive in the market. Based on various stakeholder consultations done, it is understood that these gaps are of varied nature i.e. technical and related to business functioning or processes.

In this regard Ministry of MSME is promoting capacity building program for Skill development of SC ST MSEs with collaboration of training institutes. These training programs are offered **free of cost** to SC/ST candidates by the Ministry of MSME under this scheme. Such kind of capacity building programs will be updated and uploaded on National SC ST Hub portal on regular basis. The candidates will have to inform training institutes well in advance to participate in following programs:
