Your today's decision may lead to a better future.
National Small Industries Corporation Ltd. (NSIC), is an ISO 9001-2008 certified Government of India Enterprise, under Ministry of Micro Small and Medium Enterprise, Government of India. Since its establishment in 1955, NSIC has been working to fulfill its mission of promoting, aiding and fostering the growth of small, micro and medium industries in the country. Over a period of five decades of transition, growth and development, NSIC has proved its strength within the country and abroad by promoting, modernization, upgradation of technology, quality consciousness, strengthening linkages with large and medium enterprises and enhancing exports of projects and products from small industries. Besides, NSIC, through the Technical Services Centres spread across the country, is also extensively involved for the skill development of the youth leading to opportunities for their employment and self-employment.

NSIC-TSC, Rajpura, an ISO 9001-2008 Certified Centre, in its endeavor to the job aspirants and entrepreneurs especially from backward & rural areas, is playing a pivotal role in providing access to higher technical education by developing the technical skills of the youth. In its endeavour, the Centre extends common facility services and trainings in relevance to the changing industrial and market requirements. NSIC-TSC, Rajpura has been striving to fulfill the aspirations of the learners by enriching them academically, professionally and socially. Over years of team work, NTSC-TSC, Rajpura has transformed into a temple of learning and self-realisation. The Centre, is committed to offer quality and standardized services and training to its valuable clients and learners at higher dimension.
NSIC - TECHNICAL TRAINING CENTRE, KANAID (MANDI), H.P.

NSIC- Technical Training Centre was setup in 2011 at Village Halel, PO Kanaid, Teh. Sundernagar, Distt. Mandi (HP) with an objective to impart Skill Development trainings to unemployed youth of Himachal Pradesh. The Centre extends services and training of meaningful, action oriented & of relevance with the changing industrial/ market requirements.

Infrastructure Available

NSIC- Technical Training Centre, Kanaid is a modern training centre. The Centre is having latest computer hard ware training Labs, Electrical Appliances Repair Lab, infrastructure for Fashion Designing Courses, Mobile Repair Courses, Manual and Computerized Accounting Courses and Incubator for Spices Grinding and Packaging training besides training facilities like LCD, LCD projector, Audio- Visual aids, well stocked technical library etc.

NSIC - TRAINING CENTRE, JUBBAL (SHIMLA), H.P.

NSIC Training Centre at Tehsil Jubbal, Distt Shimla (HP) was set up in 2012 with an objective to impart Skill Development training to unemployed youth of Himachal Pradesh with a view to prepare them for employment and self-employment opportunities. NSIC, Jubbal caters to hilly areas of Rohru, Theog, Kotkhai, Kharapatthar, Teuni, etc. to make our trainees complete academically, professionally and socially to the highest expectations.

Infrastructure Available

NSIC - Training Centre, Jubbal is having latest Computer Training Labs, latest infrastructure for Fashion Designing Courses and Manual & Computerized Accounting Courses. Well furnished Cosmetology and Beautician Lab besides all latest technical gadgets and training facilities like LCD, LCD projector, Audio- Visual aids, well stocked technical library etc are also available at the centre.
NSIC- Technical Services Centre, Rajpura has been rendering services to Micro, Small and Medium Enterprises in the country under common facility services for testing of Domestic Electrical Appliances. The Testing laboratory is recognized by Bureau of Indian Standards for testing of Domestic Electrical Appliances as per relevant Indian Standards and also holds prestigious accreditation from National Accreditation Board for Testing and Calibration of Laboratory (NABL), Department of Science and Technology, Govt. of India, in accordance with ISO/IEC 17025. The lab holds a distinct status being also an ISO 9001:2008 Certified Laboratory.

Centre has extended testing facility to Industrial units spread across the country for the testing of Electric Food Mixer, Electric Iron, Electric Radiator, Electric Immersion Water Heater, Electric Hot Plate, Electric Stove, Electric Water Boiler, Electric Kettle, Jug and Electric Water Geyser, etc. as per Indian Standards.

To widen the scope of testing facilities, Centre is also in the process of introducing testing of Electrical Home Appliances as per IEC; 61010-1:2010, 60335-2-14:2012 and 60335-1:2013.

Other Services offered by the Testing Laboratory

The common facility services offered by the Centre inter alia includes followings:

• Provides effective technical support services to the small-scale industries engaged in manufacturing of Electrical Appliances.
• Stringent testing and inspection of Electrical Appliances as per Indian Standards.
• Quality Awareness and Quality up gradation of Electrical Appliances through Type tests, Safety tests and Routine tests.
• Centre also upgrades the skills of the testing personnel working in the laboratory from time to time
• Testing laboratory also offers training to Domestic Electrical Appliances manufacturing units on Testing procedure for Electric Iron as per IS-302 & IS 366, Food Mixer as per IS-4250, Immersion Rod as per IS-368, Heat Radiator as per IS-369, Water storage/ Instant Geyser as per IS-2082, etc.
NSIC-TSC, Rajpura is an ISO 9001:2008 certified Centre of NSIC under Ministry of Micro Small Medium Enterprise, Government of India.

National Small Industries Corp. Ltd is Nationally & Globally known for its multi-folded activities.

NSIC-TSC, Rajpura is affiliated by National Council for Vocational Training (NCVT) under the Director General of Employment and Trainings, New Delhi and also recognized by Directorate of Technical Education, Govt. of Punjab to conduct affiliated courses in Computer Operator and Programming Assistant, Electrician and Mech (Radio & TV).

Domestic Electrical Testing Laboratory of NSIC-TSC, Rajpura is recognized by Bureau of Indian Standards for testing of specified Domestic Electrical Appliances.

The Domestic Electrical Testing Laboratory of NSIC-TSC, Rajpura is also accredited by National Accreditation Board for testing & Calibration of Laboratory.

The recognition and accreditation places the testing laboratory as the prestigious one in the entire region.

ASSOCIATION OF GOVERNMENT DEPARTMENTS FOR CONDUCTING SKILL DEVELOPMENT PROGRAMMES

Recognizing the capacities of the Centre, many National and State level Departments and Corporations have come forward to associate with NSIC for skill development of their beneficiaries as mentioned here below:

- National Agriculture Bank For Rural Development (NABARD), Chandigarh.

Over years of experience and expertise gained, NSIC-TSC has been conducting a wide range of job oriented technical courses under various streams. The courses have been widely accepted by the Industries and Institutions in the region. There has been continual effort to upgrade the courses for their relevance. The following courses are run by the Centre on regular basis.

**Computer Operator Programming Assistant (COPA) (NCVT Affiliated)**

- Duration - 1 year (Full Time), Eligibility : 10th
- Intake Capacity : 26 per batch
- Functions of Computer: Input, Process, Output, Functions of ALU.
- Control, Storage, Input and Output Devices, Using WINDOWS.
- Information concepts and processing.
- Data processing: Storage, retrieval.
- Overview of C-Constants, Variables, Data type, Operators & Expression.
- Managing Formatted / Unformatted Input and Output
- Structures and Unions, Pointers, File management in concepts.
- Data control to access data, Structured Query Language.
- Cyber Crime, Cyber Law, E-Commerce Basics.

**Electrician (NCVT Affiliated)**

- Duration - 2 years (Full Time), Eligibility : 10 (Sci., Maths)
- Intake Capacity : 25 per batch
- Fundamental of electricity. Demonstration & Practice on bare conductors joints - such as, Britannia, straight, Tee, Western union, Joints.

**Computerized Accounting & Office Procedure**

- Duration - 1 year (Part Time), Eligibility : 10th
- Intake Capacity : 25 per batch
- Definition & Objects of Accounting, Accounts Procedure and type.
- Rules of Debit & Credit, Accounting concepts.
- Preparation of Relevant Vouchers & Books of accounts.
- Preparation of Trial Balance & various Financial Statements such as Trading, Profit & Loss Account and Balance Sheet.
- OFFICE PROCEDURES in running kgs.
- Computerized Business Accounting Software (Busp, Tally).
- Calculation of Val, Val Returns.
**Training Courses Regularly Run by the Centre**

**Welder**
- Duration: 1 year (Part Time)
- Eligibility: 8th
- Intake Cap.: 20 per batch
- Gas Welding, Metal Jointing.
- Nomenclature of Welding Joints.
- Principle of Arc Welding.
- Electrodes - types - Objectives of Flux coating.
- Welding of MS Pipes.
- Introduction to TIG Welding.

**Gas Welding & Refrigeration**
- Duration: 1 year (Part Time)
- Eligibility: 8th
- Intake Cap.: 20 per batch
- Knowledge of Basic Fashion Terminology.
- Basic Sewing Machine Techniques for Fashion Style.
- Introduction of Basic Sizing & Specification Sheet.
- Techniques of Measurements.
- Sketching of Ten Head Fashion Figure.
- Understanding of Dress Form & Human Body.
- Introduction of Painting & Printing.
- Material Selection & Techniques.
- Ideas for Market Analysis.
- Costing & Pricing of Garments.

**Computerized Fashion Designing**
- Duration: 1 year (Part Time)
- Eligibility: 8th
- Intake Cap.: 20 per batch
- Knowledge of Basic Fashion Terminology.
- Basic Sewing Machine Techniques for Fashion Style.
- Introduction of Basic Sizing & Specification Sheet.
- Techniques of Measurements.
- Sketching of Ten Head Fashion Figure.
- Understanding of Dress Form & Human Body.
- Introduction of Painting & Printing.
- Material Selection & Techniques.
- Ideas for Market Analysis.
- Costing & Pricing of Garments.
**TRAINING COURSES REGULARLY RUN BY THE CENTRE**

**Advance diploma in Computer Software Hardware & Networking**

- **Duration - 1 year (Part Time), 2 Hrs. per day,**
- **Intake Cap. 20 per batch**
  - Fundamentals of Computer System
  - Computer Hardware- Input & Output Devices
  - Different types of CPU, Power units & slots in CPU.
  - Microsoft Word, Excel, Power point and Internet.
  - Repairing of Key board, Mouse, Hard Disk Drive & CD Drive.
  - Repairing of Printer (Dot Matrix, Desktop & Laser Printer).
  - Assembly & Disassembly of Computer System.
  - Repair & Maintenance of Laptop.
  - Networking, Hardware sharing, Software, Folder & File sharing.
  - Domain based Networking, Client Server Architecture.

**Certificate Course in Mobile Repair & Mobile Software**

- **Duration - 6 months (Part Time), 2 Hrs. per day,**
- **Intake Cap. 20 per batch**
  - General Electronics related to Mobile Phone technology.
  - Type of Mobile Phone & Mobile Technology.
  - Study of Mobile Phone Printed Circuit Board, Soldering, De-soldering of SMD & BGA type ICs. Computerized Trouble Shooting.
  - GSM Mobile Phone Technology-Component Repair like Antenna switch, Amplifier, Audio signal Vibrator driving Circuit, LCD, Key Pad, SIM Card, Main Power Supply section etc.
  - Study of Circuits board of various GSM Mobile Phones.
  - Introduction to CDMA Mobile Phone-Study of Circuits of various CDMA Mobile Phones Computerized Mobile Phone Repair and Software installation.

**Soft Skill Development in English Speaking & Business Communication**

- **Duration - 4 Months (Part Time), 2 Hrs. per day,**
- **Intake Cap. 20 per batch**
  - Communication skills, Phonetics, Voice and Accent.
  - Sales & Marketing, Preparation for interviews.
  - Public interaction and Expression building through Presentations.
  - Translation, Letter, Application, Noting and Drafting, etc.
  - Grammar, Clarity, Fluency, Phonetics and Sounds.
  - Listening, Reading, Writing, Spoken.
  - Public Speaking & Confidence building.
  - Resume Writing.
  - Professional Style Skills & Goal Settings, Use of Body Language.
  - Interview, Presentation Skills, Group discussions.

*ISO 9001:2008*
NSIC-TSC, is situated in the industrial area called Focal Point, Rajpura. The building is under lease hold premises from Punjab Govt. for 99 years and the same being used for Technical training, Testing and Administrative purpose. The centre has a spacious campus consisting of impressive, adequate, well ventilated class rooms, laboratories for study and disciplined environment. The campus provides a healthy, neat and clean tidy surrounding for the students and teachers as well. The Centre has adequate training infrastructure to conduct various technical, advance, sponsored and customized training courses apart from testing of Electrical appliances. A lush green lawns adds beauty to the campus of the building.

CLASS ROOMS & LABORATORIES

The centre has well Furnished air ventilated Classrooms for conducting theory classes of various courses. The class room are spacious with sufficient study benches and study chairs and the Centre has sitting arrangement for 400 trainees at a time.

Laboratories are fully equipped with latest technology and modern facilities.

- Practical labs are well furnished and well equipped to conduct various Practical trainings.
- The Centre has well equipped AC Computer Labs with latest Computer systems, Laser printer, Scanner, Fax and other latest communication facilities. The Computer systems have a continuous power supply through Online UPS and generator. The Centre has the latest technologies like Laptop, computers and audio visual systems.
- The Centre has Electrical and Electronic laboratories with all latest training infrastructure for conducting theory and practical classes of NCVT Affiliated courses.

LIBRARY AND READING ROOM

The Centre has a well stocked library and a spacious reading room for promoting healthy study habits amongst students. Library is an extension of class room teaching. The library is fully air conditioned and with a stock of large number of books, manuals and periodicals on various subjects for trainees. As per the need and demand of the students, latest publications are included in the library. Students are issued books for a period of 15 days. Same can be renewed / extended if needed.
TEACHING AND ADMINISTRATIVE STAFF

Teaching Staff consists of Training coordinator, course coordinators and a team of well qualified, trained and experienced team of faculties for conducting theory and practical classes. Besides administrative officers and staff supports the training and play an important role for maintaining disciplines, understand the problems of the students and their fee and environment management. Centre Head is the administrative & training head of the centre.

TEACHING, EXAMINATION AND PROGRESS REPORT

Latest teaching aids and equipment have been planned and provided to students. The students and faculties are encouraged and inspired to create and innovate charts, models and creative aids for better understanding and grasping of concept and ideas. The students are regularly tested in all subjects. Parents are kept informed of the reports of tests. Promotion in the next module examination depends on the progress shown by the students during class test and last module examination. Proportionate weightage is given to monthly class test, module examination and evaluation is continuous and comprehensive.

COURSE DESIGN OF TRAINING PROGRAMMES

NSIC-Technical services Centre, Rajpura has a wide range of training courses under its Internal and sponsored training programmes. All the courses offered are designed by taking into consideration the special needs of the market and industries and also through a wide range of feedback from the successful candidates in job or in business, discussion with client organizations, market feedback, by understanding the actual need, information in the public domain and discussion with the academic institutes and faculty members with an objective to enhance the competency of our trainees for effective employment and self employment. All the courses designed are assessed through a specially designed format.
PAYMENT OF FEES

Once the applicant is selected for admission, he has to pay course fee in advance either full or part as first installments as per payment schedule of respective course. However it becomes the liability of student to pay the full fee of the course as the full course fee remains due on him from the date of admission.

If the fee dues even after the notice period, a fine of Rs. 5/- per day will be charged, up to the end of the month. If the dues remain unpaid by the end of the month the student’s name will be struck off from the rolls or disciplinary action may be initiated against the student. He/She may, however, be re-admitted at the discretion of the Centre Head on payment of all arrears and a fresh admission fee with fine.

Payment can be made by cash or demand drafts in favor of NSIC Ltd, Rajpura. Date of presentation of the draft will be treated as date of payment. Any cheque dishonored/ returned by the Bank will be treated as non-payment of fees. Outstation cheques will not be accepted.

TIME OF PAYMENT

Payments are accepted in Accounts section from 9:30 am to 04:00 pm on all working days.

ADMISSION PROCEDURE

Trainees into training courses are admitted through either of the two methods:
- Direct Admission, on first-come-first-serve basis.
- Selection based on merit list prepared by the constituted committee.

All the trainees are supposed to deposit the fees due as per schedule. Trainees are allowed a grace period of maximum up to the end of the month for depositing fees due, failing which the training/course coordinator informs the Head of the NSIC-TSC about defaulting trainees. Appropriate action is taken by the Head of the NSIC-TSC, in consultation with the course coordinator on default cases.
Rajpura has a centralized cell for Post Training Support & Placement Assistance. The cell operates with a vision to equip the students with versatile technical traits to match core needs of the corporate world. Campus interviews are regularly arranged for leading companies/business houses of the area.

Further, I agree not to ask for any change of course or batch.

_______________________________________________________
(SIGNATURE OF THE TRAINEE)

Date ........................................

ISO 9001:2008
All the trainees of NSIC-TSC, Rajpura are supposed to abide by the rules and regulations of the centre and maintain discipline and follow conduct rule as prescribed and advised during admission. All disciplinary issues of trainees and actions thereof are handled by a constituted committee comprising the head of the NSIC-TSC, Course coordinator and the Training coordinator and P & A. A brief description of CODE OF CONDUCT AND DISCIPLINARY ISSUE is illustrated below for compliance:

1. Parents/Guardians are welcome to see the Centre Head on all working days from 12-30 to 2-30 p.m. and Training Coordinator from 09-30 a.m. to 5-30 p.m. for any reason.
2. In emergency, parents may see the Centre Head permission.
3. Parents are requested not to go to the class rooms without the permission of Centre Head.
4. Absence from the centre hampers student’s studies and other educational development. Students are advised, in their own interest, not to miss classes.
5. Parents are requested to ask for leave only in unavoidable circumstances. Application for leave must invariably be sent by the parents/guardians before their wards need to avail leave. In the absence of the application, same will be treated as absent.
6. For withdrawing/discontinuance of any student from the course/centre, on month’s notice has to be given in writing to the Centre Head with proper reason subject to clearance of dues, failing which the caution money/security deposit will be forfeited. The Centre Head has the right to ask the parent for the withdrawal of student from the Centre at any time without assigning any reason.
7. Once the applicant is selected for admission, he has to pay course fee in advance either full or part as first installments as per payment schedule of respective course as the full course fee remains due on him from the date of admission.
8. If the fee dues even after the notice period, a find of Rs. 5/- per day will be charged, up to the end of the month. If the dues remains unpaid after the end of the month the student’s name will be struck off the rolls or disciplinary action may be initiated against the candidate. He/She may, however, be readmitted at the discretion of the Centre Head on payment of all arrears and a fresh admission fee with fine.
9. Payment can be made by cash or through crossed cheque/draft in favour of NSIC Ltd., Rajpura. Date of presentation of the cheque/draft will be treated as date of payment. Any cheque dishonoured / returned by the Bank will be treated as non payment of fees. Outstation cheque will not be accepted.
10. Payments are accepted in Account section from 9:30 am to 4:00 pm on all working days.
11. No students shall damage or cause to damage or help assist any student in damaging any of the property or any article of the NTSC, Rajpura. Any student found involved in such activity shall indemnify or compensate any loss cause/occurred in the institution and disciplinary action shall be initiated against him/her.
12. No student shall indulge himself in any unlawful or unsocial activities which may effect image of the NTSC, Rajpura. For any such act necessary disciplinary action shall be initiated against such student.
13. No student shall misbehave or fight with any of the faculty, staff or other students of the NTSC, Rajpura.
14. No student shall take out any item/article or software etc. belonging to the institution without proper authority of the NTSC, Rajpura.
15. Mobile shall be put on vibration during training hours and all students shall come properly dressed up.
16. All the students shall carry identity card issued by NTSC, Rajpura.
