2026

Happy New Year

## New Year Message 2026

January 1, 2026

**My dear colleagues,**

**Greetings!**

**At the outset, I extend my warm greetings and best wishes to each one of you and your families for a very happy and prosperous new year 2026!**

The beginning of a New Year offers an opportunity to reflect on the past year's performance, reaffirm our purpose, reflect on our journey, renew our collective commitments and set clear goals for the period ahead. Over the past seven decades, the NSIC has played a pivotal role in India's industrial and economic development. Since its inception, NSIC has been a steadfast partner to the nation, working tirelessly to promote, support and strengthen the Micro, Small and Medium Enterprises (MSME) sector. Our journey of more than seventy years stands as a testament to our resilience, relevance and dedication to nation building. Through our various unique product offerings, marketing support, technology facilitation, skill development and financial enablement, NSIC has significantly contributed to enhancing the competitiveness and sustainability of our MSMEs. Through our subsidiary NVCFL, we are facilitating flow of Equity capital to fuel the growth of high potential MSMEs. Our efforts have empowered entrepreneurs, generated employment, encouraged innovation and supported inclusive and balanced regional growth in its own unique way.

During 2025, the Corporation undertook various important initiatives including digital transformation, expansion into new markets & regions, introduction of new products, upgradation of Technical Centres keeping in view the growing Industry demand and the implementation of employees' progress centric HR policies. The promotions effected across various levels during the year reflect recognition of merit, performance and potential. With enhanced roles and responsibilities, employees are expected to continue demonstrating leadership, shouldering higher responsibilities, accountability and a commitment to improving quality and efficiency in all areas of work.

These achievements have been possible only because of the sincerity, professionalism, and unwavering commitment of our employees, both past and present. Your dedication has enabled NSIC to adapt to changing economic landscapes, align with national priorities such as '**Make in India**', '**Atmanirbhar Bharat**' and '**Vocal for Local**' and continue delivering impactful services to MSMEs. As we step into the New Year, new opportunities and challenges await us. Let us move forward with renewed energy, integrity and a shared vision to further strengthen the MSME ecosystem and contribute meaningfully to India's growth story. I am confident that together, we will scale greater heights and take NSIC to new milestones of excellence.

I, once again, extend my best wishes to you and your families for **A Very Happy, Healthy and Prosperous New Year, 2026.**
