Speaking on this occasion Sh. Ravindra Nath, Chairman & Managing Director, NSIC informed that NSIC's Training & Incubation Centre at Deoria spread into an area of 5000 sq.ft. will provide training in trades such as Bread & Bakery, Soya Milk production, Water Filtration, Edible Oil Extraction, Packaging, Paper Napkin, Spice Grinding, Socks Knitting, Fashion Designing, Mobile Repair, Electrical Gadget Repair, Computer Hardware & Networking trade, Web Designing & Multimedia, Spice Grinding & Packaging etc. These projects, selected on the basis of local needs, require low investment which can be easily started by the budding entrepreneurs.

The NSIC Training cum Incubation Centre will train 800 people who will be capable of being self-employed after the completion of their training.
