## COMMENTS OF THE SME DELEGATES

**Ms. Romita Ghosh, CEO, iHeal Healthtech Pvt. Ltd**

What astounding these 4 days were !! An extremely heartfelt Thank You to Shree Dixit ji and Sunil Tyagi Sir for conceptualizing this Collaboration trip for MedTech companies, and to Adiba Ma'am for facilitating everything at the last minute without a hitch. Thanks are also due to Secy Sir and Mercy Ma'am for believing in this need of the hour, and leading from the front to create and provide the platform for us to showcase India's potential at Taiwan. The ITA also did a great job in helping us meet the right mix of people and companies, all the while stitching up itineraries, luncheons and informal visits too. The interactions I have had with my fellow delegates and the insights I've gleaned from them have made me a more knowledgeable entrepreneur. And I wish to stay in touch with each of you and look for ways to collaborate as we move ahead. With the Ministry's focused support, I look forward to building on the foundations we laid at Taipei, and also build on the bonds we shared as India's first dedicated Healthtech /Medtech delegation to Taiwan.
