

Offering New Business Opportunities for MSMEs

- NSIC is seeking to explore potential business opportunities with MSMEs (Micro, Small, and Medium Enterprises) that manufacture products as per the attached list. The objective is to identify reliable MSME partners for distribution of various material manufactured by them.
- By collaborating with MSMEs, NSIC aims to enhance its product distribution network while providing business opportunities for these enterprises. In order to emerging businesses opportunities by NSIC, the MSMEs capable of supplying products in substantial quantities (as per the attached list) may contact the nearest nsic office

All the MSMEs will get an opportunity to get themselves enlisted under the SPRS

- Scheme and also other schemes of the Corporation.
- The collaboration with MSMEs is expected to enhance NSIC's product distribution network and provide business opportunities for MSMEs.
Your efforts in identifying potential MSME's and assessing in driving this forward.
- Please find the attached list of indicated for your reference. If you have any questions or need further clarification, feel free to reach out:

Shri S.H.Siddiqui, General Manager, NSIC

INDICATIVE PRODUCT LIST

S.NO	products
1	Doors & Windows fixtures/ Fittings/Ironmongeries
2	Door Closer / Floor spring
3	Aluminium Sections
4	Clear Glass/ Clear Float Glass/Toughened Glass
5	Laminates
6	Synthetic Enamel Paints
7	Oil Bound Distemper
8	Cement Paint
9	Plastic Emulsion Paint
10	Other Paints/Primers
11	OPC/PPC 43 Grade Cement (Conforming to IS8112)
12	Reinforcement Steel (TMT Bars)
13	Rolled Steel Hollow Door Frame
14	MS Pipe/ Sections
15	Polycarbonate Sheets G
16	Wooden Fire Check Doors
17	Metal Fire Check Doors
18	Admixtures for concrete.
19	Ceramic Tiles
20	20 Pre-Laminated Particle Board
21	Flush Door Shutters
22	WPC Flush Doors
23	White Cement
24	Powder Coating Material Pure Polyester
25	Stainless Steel Screws for Fabrication and fixing of Windows.
26	"Dash Fasteners./Anchor bolts,Cramps"
27	Stainless Steel Friction Stay
28	Weather Silicon
29	Structural Silicon at butt joints
30	Water proofing Compound /applicator
31	Reflective Glass
32	Door Locks/Latches
33	Aluminium Grill
34	Vitrified Tiles
35	Aluminium Cladding sheets
36	Stainless steel D-handles
37	Stainless Steel Railing/ pipe/ sheet 304
38	Structural Steel
39	Ready Mix Concrete
39(a)	AAC Mortar/Adhesive
40	Epoxy Flooring/ wall coating
41	Acoustic Mineral Fibre
42	Fire Panic bar/ hinges
43	Plywood/ Block Board
44	Water proofing Self Adhesive (HDPE) Membrane
45	Fire Seal
46	Fire rated door closer/Mortice Lock/ Door Co-ordinator
47	Gypsum Board System
48	Adhesive for Wood Work
49	Epoxy/PU Paint
50	Glass Doors (Motorised)
51	Calcium silicate boards/ Tiles
52	Texture Paints
53	Wall care putty
54	Frameless glass partition fixtures/Spider fittings/ patch fittings
55	Toilet Cubicles
56	Fire rated Glass
57	Fibre Glass Rigid Board
58	Mineral Wool/ Rockwool
59	Heat Resistance Tile
60	Bitumen
61	Acid/ Alkali Resistant Tile
62	Acrylic Exterior Paint
63	Mosaic/ Chequered tiles
64	Metal False Ceiling
65	Metal Roofing
66	PVC/ UPVC - Door / Window
67	GRG False Ceiling
68	Aluminium Door/ Window / Glazing
69	Gypsum Plaster/Ready Mix Plaster/Polymer modified self-curing mortar
