M/s. Sri koteswara cam systems

Designation : Design Engineer

Subramanyam's academic journey was marked by diligence and a deep interest in engineering. His time at DMSSVH College of Engineering equipped him with the skills and knowledge necessary to excel in his field. Today, Subramanyam works as a Design Engineer at Sri Koteswara Cam Systems. In this role, he leverages his engineering expertise to design and develop innovative solutions, contributing to the company's success. Vaka Subramanyam's transition from a dedicated student to a successful professional exemplifies how a strong educational background and a commitment to excellence can lead to a rewarding career. His story serves as an inspiration to others in the field of engineering, showcasing that perseverance and hard work can pave the way to professional success. NSIC Wishes him for great success in the future.

Mr. Sesetti Durga Nookesh

Training Location : NSIC- Technical Services Centre
Hyderabad

Training Programme : CNC Turning - Programming and
Operation

Training Duration : 12/06/2023 to 26/07/2023.

Qualification : Diploma

Father's Name : Mr.Sesetti Venkata Rao

Social Category : OBC
