

A Team of General Managers-DIC, Rajasthan led by Mr. P.N Sharma Joint Director Industries, visited LBI and Advanced Training Centre of NTSC Okhla, to explore the possibilities to replicate the LBI model in their state. Delegates interacted with trainees and enquired about training imparted on machines. They appreciated the training programmes and common facilities services offered to MSME units.

Incubation centre of NTSC Okhla has launched five new training programmes in the area of apparel sector: - Apparel Merchandising, Pattern Making, Quilting work, Introduction to Art & Craft, Remaking of used garments. The courses are designed after getting the feedback from apparel/garment industry and getting the good response from the target group.
