## Training at NTSC Rajkot

NSIC Rajkot Centre have incubator unit, this unit facilitates setting up of new enterprises all over the country by creating self-employment opportunities for the unemployed persons. The objective of this scheme is to facilitate establishment of new small enterprises by way of providing integrated services in the areas of training for entrepreneurial skill development, selection of small projects, and preparation of project profile, reports, identification and sourcing of plant, machinery and equipment, facilitating sanction of credit facility and providing other support services in order to boost the development of small enterprises in manufacturing and services sectors.

The Technical Services Centre, Rajkot is engaged in providing services to MSME Sector by providing skilled manpower through its various training programs which are tailor made considering the need of industries of the region which is dominated by machine tools, plastic manufacturing, engine manufacturing, pump manufacturing, mini tractor manufacturing, auto component, bread and biscuit manufacturing, Packaging etc. in the area of CAD /CAM, CNC, Work shop. We also provide industrial training in the field of automation and embedded system, Multimedia & Animation, Electrical & Electronics. We also impart training to nontechnical areas considering the need MSME Sector of the region in the area of fashion designing, beauty parlor, soft toy making etc. The course content of each training program is designed in such a way so as to give maximum practical exposure through practical training to the trainees. Also course content are carefully designed in consultation with various representatives of various industry associations to meet the need of industry. The curriculum of each training programme is defined in such a way so as to give maximum practical exposure through practical training to the trainees.

# Job Fair at NTSC Rajkot

NSIC-Technical Services Centre, Rajkot is one of the leading Technical training Institute in Saurashtra Region of Gujarat State.

In our pursuit to aid, counsel, assist, finance, protect and promote the interests of “micro & small enterprises in India” and to provide the trainees a platform to showcase their technical skills and expertise acquired during the training at this Centre, a Job Fair was organized on 22 Jun 2016 i.e., Wednesday from 10 AM to 2.00 PM at NTSC-Rajkot premises.

A job fair is an event at which people looking for a job can meet possible employers. Job seekers use this opportunity to meet with them and attempt to stand out from other people and get an overview of what it's like to work for a company or a sector that seem interesting to them.

This is also an opportunity for companies to meet with students and talk to them about their expectations from them as students and answer their potential questions such as the degree or work experience needed.
