JOB FAIR AT NTSC RAJKOT

NSIC-Technical Services Centre, Rajkot is one of the leading technical training Institute in Saurashtra Region of Gujarat State

In our pursuit to aid, counsel, assist, finance, protect and promote the interests of “micro & small enterprises in India” and to provide the trainees a platform to showcase their technical skills and expertise acquired during the training at this centre, a Job Fair was organized on 27th Oct’2015 i.e., Tuesday from 10 AM to 5.00 PM at NTSC-Rajkot premises.

A job fair is an event at which people looking for a job can meet possible employers. Job seekers use this opportunity to meet with them and attempt to stand out from other people and get an overview of what it's like to work for a company or a sector that seem interesting to them. This is also an opportunity for companies to meet with students and talk to them about their expectations from them as students and answer their potential questions such as the degree or work experience needed.

For many, the Job fair can be an initial screen of talent and numerous employers will decide to offer first round interviews based on those brief interactions at a Job fair table.

Inauguration of Job Fair by Sh. Dineshbhai Khambhayata
President - Machine Tools Association, Rajkot
