

## NSIC-TECHNICAL SERVICES CENTRE - RAJKOT

05<sup>TH</sup> Feb' 2018

### **JOB MELA on 2<sup>nd</sup> Feb, 2018 at NTSC Rajkot**

NTSC RAJKOT, conducted a Job Mela on 2<sup>nd</sup> Feb 2018, from 10.30 AM to 5 PM. In this Job Mela, 15 MSME units participated to select suitable trained manpower and more than 120 students attended the Job Mela to get suitable placements. MSMEs preliminary selected 29 candidates, who will be called for final selection to their respective units.

In the inaugural function Sh. U Venkatachalapathi, General Manager, NTSC Rajkot, explained about various NSIC Schemes for entrepreneurs & MSMEs. He also further explained about common facility services specially testing for different kind of materials like Steel, Plastics and Engine Testing, Motor and Pump Testing and Calibrations Services.

Sh. Ram Kumar Yadav, DGM explained about activities of Livelihood Business Incubation Centre for imparting training in various trades like packaging, bakery manufacturing, soya milk extraction plant, pet bottle molding machine, RO Water manufacturing, Laptop Repairing, Mobile Repairing, Home Appliances Repairing etc. Further, he explained in length about various Tool Room course such as CNC/VMC operating & programming, Tool & Die Maker, Mould Design, Conventional Machine Operator to support the MSME's of the region with skill development training in aforesaid areas.

Sh. Jeevanlal Patel, President of Aji Industrial Area, Rajkot inaugurated the Job Mela as Chief Guest and lauded the efforts of NTSC Rajkot in bringing the Job seekers and Job providers in a single platform. He shared his experienced that if we have to compete with China then we should have sound skill manpower and NTSC Rajkot is playing pivotal role in generating skill manpower. He has also suggested to do gathering with all industry associations present in Rajkot at NTSC Rajkot and give them awareness about various new initiative taken like Tool Room.

Sh. Deepak Sachdev – Vice Chairman Training Program Committee, Kutch Saurashtra Productivity Council (KSPC), participated in the Job Mela as Guest of Honour and advised the participants as well employer to be clear about their expectation and future goal. There is huge requirement of skill manpower as well as productivity of manpower. In India manpower productivity is only 18%, while country like Korea has productivity of 108%. He emphasized participants to focus their attitude towards productive work. And appreciated efforts of NTSC Rajkot to bridging gap of skill manpower.
