NSIC - AT A GLANCE

National Small Industries Corporation Ltd. (NSIC), is an ISO 9001-2015 certified Government of India Enterprise, under Ministry of Micro Small and Medium Enterprise, Government of India. Since its establishment in 1955, NSIC has been working to fulfill its mission of promoting, aiding and fostering the growth of small, micro and medium industries in the country. Over a period of five decades of transition, growth and development, NSIC has proved its strength within the country and abroad by promoting, modernization, up gradation of technology, quality consciousness, strengthening linkages with large and medium enterprises and enhancing exports— projects and products from small

industries. Besides, NSIC through the Technical Services Centres spread across the country, is also extensively involved for the skill development of the youth leading to opportunities for their employment and self employment.

ABOUT NSIC-TECHNICAL SERVICES CENTRE, RAJPURA

National Small Industries Corp. Ltd-Technical Services Centre , Rajpura was set up in 1993 with the basic objective to provide technical support services to the Small Scale Industries (SSIs) in the region particularly in the field of Design, Quality Upgradation, Testing & Training on Domestic Electrical Appliances, besides generating the much needed technically trained man power for SSIs in the area through technical training in various disciplines to rural and urban youth with a view to enhancing their employment and self-employment opportunities. NSIC-TSC, Rajpura in its endeavor to the job aspirants and entrepreneurs especially from backward & rural areas, is playing a pivotal role in providing access to higher technical education by developing the technical skills of the

youth. The Centre extends common facility services Domestic Electrical Appliances Testing Laboratory, Mechanical Tool room and requirements. NTSEC, Rajpura has been striving to fulfill the aspirations of the learners by enriching them academically, professionally and training in relevance to the changing industrial and market requirements. NTSC, Rajpura has been striving to fulfill the aspirations of the learners by enriching them academically, professionally and socially. Over years of team work, NTSC, Rajpura has transformed into a temple of learning and self-actualization. The Centre, an ISO : 9001-2015 Institute is committed to offer quality and standardized services and training to its valuable clients and learners at higher dimension now.

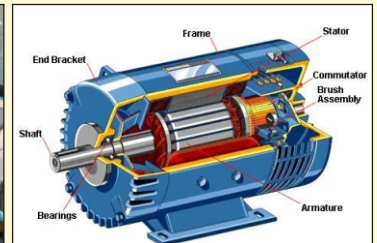

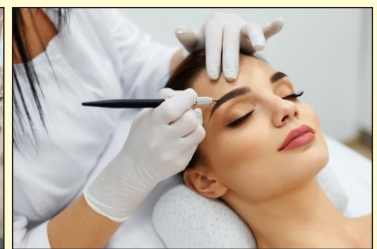

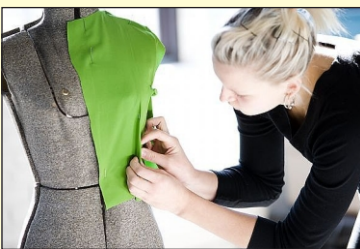

ABOUT TECHNICAL TRAINING CENTRE, MANDI

NSIC Technical Training Centre (NSIC-TTC) Mandi was setup in 2011 under the administrative control of **National Technical Services Centre (NTSC) Rajpura, Punjab**, with an objective to provide Skill Development and Vocational training to the unemployed youth of the Himachal Pradesh and to prepare them for self employment and employment opportunities in the relevant fields. NSIC training Centre Mandi has been running various government sponsored skill development programmes and other vocational training for the unemployed youth of Himachal. NSIC Mandi in support from NTSC Rajpura is also providing various high-tech technical training for Engineering and Polytechnic college.

S.No.	Name of the Job Oriented Courses	Duration
1	Computerized Accounting & Office Procedure with GST Tally	1 Year
2	Advance Diploma in Computer Software, Web Designing	1 Year
3	Advance Diploma in Computer Hardware & Networking	1 Year
4	Diploma in Electrician	1 Year
5	Air Conditioning & Refrigeration	1 Year
6	WELDER (TIG, MIG, ARC, GAS)	1 Year
7	Fashion Designing	1 Year
8	Diploma in Beautician / Cosmetology	1 Year
9	Computer Operator and Programming Assistant (NCVT)	1 Year
10	Electrician (NCVT)	2 Year

S.No.	Skill Development Training Programmes	Duration
1	SAP	3/6 Months
2	CAD / CAM (Solid Works) Basic + Advance	3/6 Months
3	CAD / CAM (Auto Desk Inventor) Basic + Advance	3/6 Months
4	Auto CAD (2D & 3D) Basic + Advance)	3/6 Months
5	Computerized Accounting & Office Procedure Tally & GST	3/6 Months
6	Advance Diploma in Computer Software, Web Designing	3/6 Months
7	WELDER	3/6 Months
8	Diploma in Electrician	3/6 Months
9	Air Conditioning & Refrigeration	3/6 Months
10	Mobile / Laptop Repair & Software	3/6 Months
11	Fashion Designing	3/6 Months
12	Certificate Course in Hair, Skin, Makeup and Nails	3/6 Months
13	Diploma in Computer Software, Hardware & Networking	3/6 Months
14	Basic Computer Course	120 Hours
15	Basic First Aid & Fire Extinguisher	15 Days
16	Digital Marketing	3/6 Months
17	Graphic Designer	3/6 Months
18	Soft Skills (Email Writing, Resume Writing, Communication Skills)	3/6 Months
